From the Missionary

CBA Church Family,

We are in a season as believers when we recall in a special way the death, burial, and resurrection of our Lord! What a hope we have in our Risen Savior! We are living in a world where that hope is desperately needed and often overlooked. As followers of

Rick Stevens

Jesus, we have the opportunity to

share such a great hope with our world in our day to day encounters. As our culture has become more secular, we are seeing that people are less likely to just show up at a church. This means that we need to be intentional about sharing our faith with people in the networks of people God has placed around us. It also means that when we get to know people, they are much more likely to come to visit our church on the strength of a personal invitation. Let's share that hope!

April is a busy month with many opportunities around us. Our VBS training session is at the Family Life Center of Hilldale on Saturday, April 15, at 9 AM. This year, under the leadership of our VBS Director, Ramona Ambrose, we have designed it much more so that it is appropriate for all churches, regardless of the type of curriculum that is chosen. There will be a track for the Lifeway Theme, but there are several tracks that give great helps for all VBS programs in our churches from any Bible Believing curriculum vendor. This is a great opportunity to encourage your church and your VBS workers in a season where we know many need that encouragement.

We also are doing something special with our Spring Meeting. We will be at 2nd Mile Church and we will be having a special guest speaker. We will begin the session with some brief announcements and updates from the CBA, but then we will be shifting to having Roc Collins as our guest speaker. He works with the Tennessee Baptist Mission Board and he is going around the state doing "Ignite" Rallies to encourage us in sharing and living out our faith in a changing culture. Come and join us at 2nd Mile that night for a great night of worship, encouragement and fellowship. This special version of our Spring Meeting will be on Tuesday, April 25, at 6:30 PM.

May the Power and Peace of the Risen Lord be with you in all you do!
